

# HUMBLER LEADERSHIP WITH JOSH WYMORE

Dr. Josh Wymore has a passion for helping leaders Become More of who they were made to be. As an author, executive coach, TEDx speaker, and trainer, Josh has helped Fortune 500 and nonprofit leaders around the world live and lead with greater purpose and clarity. His book, *Humbler Leadership*, explores the ten mindsets and skill sets leaders can practice to become humbler. He and his family proudly call Fort Wayne, IN, home.

Research shows that the foundation for effective leadership is not intelligence or charisma, but a forgotten virtue called humility. In this engaging and data-driven book, Dr. Josh Wymore explains the four pillars of humble leadership and walks through 10 practices that leaders can implement today to become humbler.
